

252.9 Judgment — appeal.

When money is ordered to be paid, it shall be paid to such person as the court may direct. If support be not rendered as ordered, the court upon such fact being shown by the affidavit of one or more of the proper trustees, may render judgment and order execution for the amount due, rating any support ordered in kind at the valuation previously made. An appeal may be taken from the judgment rendered to the supreme court. Support for later periods under the same order may be, as it becomes due, applied for and obtained in the same manner.
